

Frappio 130[®] Coffee Concentrate

Frappio 130[®] is a 130:1 unsweetened, flavored coffee concentrate used in products such as ice cream, yogurt, and milk. It contains coffee and natural flavoring premixed for convenient use in production. It is cost effective and yields excellent margins.

EXPERTISE

We can produce concentrates in almost any flavor profile you can imagine.

EXPERIENCE

Our food chemists have over 15 years experience making coffee-based products. We create a wide range of concentrates for the beverage, baked goods, and dairy industries.

PRODUCTION FACILITY

All Frappio products are produced in a state-of-the-art facility utilizing only French-roasted Arabica beans from Colombia and Guatemala.

- Made with fresh-brewed, 100% Arabica coffee.
- All natural flavorings such as chocolate, vanilla, and caramel.
- No preservatives
- Shelf stable.
- Ready-to-use mixture of coffee and flavorings simplifies production.
- Standard flavor profiles available with no R&D time or expense.
- Can be mixed with nonfat, low fat, whole, or soy milk.
- Take advantage of coffee popularity and provide your customers with a variety of unique coffee flavors.
- 120-140 mg caffeine per 16 oz. serving.
- Kosher
